GTC Nutrition to Showcase Value-Added Ingredient Solutions at the 2009 Supply Expo

Better-for-You Prototypes Support Digestive, Immune and Bone Health

GOLDEN, Colo. (February 27, 2009) – GTC Nutrition, a business unit of Corn Products International, Inc., will showcase its value-added ingredient solutions by presenting natural, better-for-you prototypes at Natural Products Expo West/Supply Expo (booth #230) held March 5-8, 2009 at the Anaheim Convention Center in Anaheim, California.

GTC Nutrition's prototypes to be featured at Supply Expo include:

Digestive Health – Natural Mango Fruit Beverage: BioAgave™ active agave fiber enriches this functional fruit beverage to support healthy digestion.

Immune Health – Chocolate Chews: Purimune™ high purity GOS (galactooligosaccharides) and NutraFlora® prebiotic fiber provide support for immune system strength in one serving of supplement chews.

Bone Health – Chocolate Chews: NutraFlora® prebiotic fiber and Aquamin® natural calcified mineral source are used to fortify these supplement chews to provide an excellent source of calcium and improved calcium absorption in one serving.

“At GTC Nutrition, we partner with our customers to create better-for-you food, beverage and supplement products that address top consumer health concerns,” said Coni Francis, Ph.D., R.D., senior manager of scientific and government affairs for GTC Nutrition. “Natural Products Expo West/Supply Expo is an ideal venue for us to showcase our ability to fortify natural, traditional and convenience products with our value-added ingredients.”

Company experts will be on hand to further demonstrate GTC Nutrition's ability to support manufacturers in developing natural, enriched food alternatives for today's health-conscious consumers.
