GTC NUTRITION TO INTRODUCE SOLUTIONS FOR LIFE AT 2006 IFT

Company Builds on its Ability to Customize Nutrition Solutions for Today's Health-Conscious Consumers

GOLDEN, Colorado, Thursday, June 1, 2006 – GTC Nutrition, a business unit of Corn Products International, Inc. (NYSE: CPO), today announced plans to exhibit its ability to build customized nutrition solutions at the Institute of Food Technologists (IFT) Food Expo June 25-27 at the Orange County Convention Center in Orlando, FL. The company's booth (#2554) will feature innovative ice cream creation prototypes that can be nutritionally customized to meet various health needs at the growth, performance and vitality stages of life.

"GTC Nutrition is uniquely capable of providing our customers with proprietary insight into the health platforms and market segments that are of the utmost importance to consumers," said Susan Fero, marketing manager for GTC Nutrition. "We are pleased to present solutions to our customers in this venue, utilizing our marketing, scientific and technical capabilities to empower consumers to make healthier diet and lifestyle choices."

Underscoring its commitment to healthy lifestyles, GTC Nutrition will introduce its Building Nutrition Solutions for Life™ campaign at a press conference on Sunday, June 25 at 2:00 p.m., serve as a gold sponsor of the IFT Foundation Fun Run on Monday, June 26 at 6 a.m., and offer scientific expertise in the symposium "Glycemic Health: Type II Diabetes and Functional Foods" on Tuesday, June 27 at 2:30 p.m.
